ALERT #3

Interesting/Relevant Coaching

Hello Everyone!

Dad, (Bill) asked me to explain this urgent insurance story - to better protect YOU!

7 BIG WAYS YOU WILL BETTER PROTECT YOUR INSURANCE AND ASSETS

#1 Buy and keep strong benefits with superior insurance companies.

Reason: Cheap insurance is weak insurance. - Don't be a Do It Yourselfer.

#2 Newer Drivers. Be relentless encouraging superior skills. Always teach them.

Reason: Parent(s), this is your duty. Driver Ed. is now a weaker tool.

#3 Good Driving Behaviors Include:

Obeying speed limits and full halts at stop signs.

Exiting parking stalls driving forward. - Also, park far away from others.

NEVER loan vehicles to others. Their accident will affect your policy.

Buy newer cars with many collision avoidance features.

#4 NEVER use cell phones, i Phones, etc. in vehicles. Put them away.

Reason: It is a distracting and very dangerous accident causing "addiction."

#5 ROOF: Replace if it is older/worn. - Remove overhanging trees or limbs.

#6 Buy at least a \$1,000,000 Insurance Umbrella. - Call for details.

#7 Add Identity Fraud benefits to your residence insurance policy.

Reason: Crooks are after all of us. One of my clients just lost \$50,000.
